

## Bell, 12VAC

**Part no.** ASBELL12  
**Catalog No.** 167394  
**Alternate Catalog No.** ASBELL12

## Technical data ETIM 6.0

Optic and acoustic signalling equipment (EG000035) / Alarm signal (EC000843)		
Electric engineering, automation, process control engineering / Electrical installation, device / Signaling technique / Alarm signal (ecl@ss8.1-27-14-32-23 [ADI351004])		
Diameter of bell shell	mm	0
Colour housing		Grey
Material housing		Plastic
Loudness	dB	75
Nominal voltage	V	12
Degree of protection (IP)		IP20
Type of current		AC
Electricity consumption	A	0
Type of tone		Fast beat
Mounting method		Surface mounted (plaster)
Built-in transformer		No
