

# Mounting Bracket for Installation on Rafters

## Accessories

### DADS D10 16 48 AL SCH (105 245)

| Type                                           | DADS D10 16 48 AL SCH                         |
|------------------------------------------------|-----------------------------------------------|
| Part No.                                       | 105 245                                       |
| Material of roof tile                          | aluminium, with UV-stabilised plastic coating |
| Dimensions of roof tile                        | 450 x 500mm                                   |
| Diameter Ø of mast hole                        | 10 / 16 / 48mm                                |
| Roof inclination                               | 24-53°                                        |
| Material of rubber grommet                     | UV-stabilised rubber mixture                  |
| Material of sealing tape                       | rubber-based plastic sealant                  |
| Type of sealing tape                           | strongly adhesive, self-welding               |
| Dimensions of sealing tape                     | 600 x 80mm                                    |
| Processing temperature                         | +5 °C ... +40 °C                              |
| Permanent temperature range of sealing tape    | -40 °C ... +80 °C                             |
| Colour                                         | black •                                       |
| Weight                                         | 1.16 kg                                       |
| Customs tariff number (Comb. Nomenclature VAE) | 85389099                                      |
| GTIN                                           | 4013364135383                                 |
| PU                                             | 1 Stk                                         |
