

## Power terminal, long, strongly cranked, with rear cover

Part no. **Z-EK/95-3N**  
 Catalog No. **264911**

## Technical data ETIM 8.0

Low-voltage industrial components (EG000017) / Busbar terminal (EC000001)

Electric engineering, automation, process control engineering / Electrical installation, device / Terminal (not overhead line) / Switch board (ecl@ss10.0.1-27-14-11-46 [BAA025013])

Busbar thickness	mm	0 - 0
Busbar width	mm	0 - 0
Suitable for		Other
Width clamp	mm	0
Max. conductor cross section	mm <sup>2</sup>	0
Max. rated operation current I <sub>e</sub>	A	0
Suitable for round conductor connection		Yes
Suitable for sector conductor connection		No
Suitable for strip conductor connection		No
