

Power terminal, long, straight, with rear cover

**Part no.** Z-EK/25  
**Catalog No.** 264935

**EL-Nummer** 1609493  
**(Norway)**

## Technical data ETIM 8.0

Low-voltage industrial components (EG000017) / Busbar terminal (EC000001)			
Electric engineering, automation, process control engineering / Electrical installation, device / Terminal (not overhead line) / Switch board (ecl@ss10.0.1-27-14-11-46 [BAA025013])			
Busbar thickness	mm	0 - 0	
Busbar width	mm	0 - 0	
Suitable for		Other	
Width clamp	mm	0	
Max. conductor cross section	mm <sup>2</sup>	0	
Max. rated operation current I <sub>e</sub>	A	0	
Suitable for round conductor connection		Yes	
Suitable for sector conductor connection		No	
Suitable for strip conductor connection		No
